AFTER SCHOOL ACTIVITIES MAY CALENDAR

Curiosity is the compass on the safari of learning!

LYCHEE LEARNING

Weeks Inlcuded

Week 1 (May 12th)

Week 2 (May 19th)

Week 3 (May 26th)

Critical Thinking

Students try a new challenge each week that builds skills like observation, pattern recognition, clue-following, and decision-making. The activities are fun, work for all ages, and encourage teamwork, creativity, and curiosity.

Mathematics

Students tackle a new challenge each week that uses counting, shapes, measurements, and arithmetic to solve problems and explore the wild. The activities are designed for all ages and build essential skills to create a solid foundation In math.

Literacy

Students explore the wild, read and write about what they see, and learn new words. Every week, there's a new challenge with fun activities and storytelling.

SEL

Students become safari guides, exploring the wild and learning social-emotional skills. Through games, art, and discussions, they express feelings, practice teamwork, solve problems, and celebrate progress.

| Day	4:30-5:30	5:30-6:30	Ages offered	Spots avaliable

Tuesday	Literacy	Math	Group A: 5-9 Group B: 10-13	Group A: 8 Group B: 5
Wednesday	Critical Thinking	Literacy	Group A: 5-9 Group B: 10-13	Group A: 8 Group B: 5
Thursday	SEL	Math	Group A: 5-9 Group B: 10-13	Group A: 8 Group B: 5
Friday	Literacy	SEL	Group A: 5-9 Group B: 10-13	Group A: 8 Group B: 5

SAFARI

ABOUT OUR ASA'S

Our After School Activities Program is an educational and engaging environment where children build foundational skills in Mathematics and Literacy, while also developing critical life skills through courses in critical thinking and social-emotional learning. Each month, a new and exciting theme is introduced to keep students motivated and eager to discover what's next, ensuring that learning is always fun and dynamic.
